Charlene Lans

PRELIMINARY AMENDMENT

Please amend the claims as follows:

Claim 16, line 5: insert --when/then-- before "statements";

Claim 18, line 15: change "means for automatically and continuously providing" to -H means for providing automatic and continuous-

Please add claims 20-25:

20. A system including means for executing a decisional rule which performs a task upon the fulfillment of a condition, the system providing automatic and continuous iterative evaluations of whether a condition is fulfilled until the condition is fulfilled at least once and which resumes any further processing only after the condition is fulfilled once, which automatically
